Thoughts on including the Ex. 5 Deliberative Process (DP)? Is that something Avi would want? I know Michal requested that for her briefing; not sure of Avi's background & role.

**Importance:** High

OPP – I need a few slides on the PFAS in Containers issue to insert into the broader Deck with OPPT Actions; also, will Ed or Kim present on those? If you can give me slides Monday (thinking to put info from your “1-pager” into slide format), I will turn back around to you also on Monday to see how it will look
